

## Vulnerable tenants

We want to make sure that we are providing as much support to our tenants as possible, and it is important that we know who is most vulnerable so we can ensure we support you in the most effective way.

Please also look out for your neighbours at this difficult time – if your neighbours are elderly or vulnerable and are also Accord tenants, please let your Housing Officer know if you think they may need additional help or support.

And don't forget, we offer lots of **care and support services** that can help you through this difficult time.
